

Kenwood Fire Protection District needs your input!

Kenwood Fire Protection District (KFPD) has an incredible legacy of work that has been powered by volunteers since its inception. In recent years, KFPD has paid some staff to cover the needs of the district, to react to modern needs while still nurturing it's volunteers.

We need to hear from you, the residents and community that we serve, in order to make sure we're hitting the mark. Our goal is to provide you with the highest level of service, and as resources become available we want to ensure that we are targeting them correctly.

I support:

- | | |
|--|---|
| <input type="checkbox"/> Two 24/7 paid staff to respond to calls | <input type="checkbox"/> Replace aging fire apparatus with newer, more reliable engines |
| <input type="checkbox"/> EMT training for new firefighters | <input type="checkbox"/> A parcel tax to support the Kenwood Fire Department |
| <input type="checkbox"/> Support for volunteer staff stipend | <input type="checkbox"/> Upgrade equipment to better fight wildfires |
| <input type="checkbox"/> Fire Station Improvements | <input type="checkbox"/> All of the above |
| <input type="checkbox"/> Maintain and expand paid staff at the station, ready to respond | <input type="checkbox"/> Other _____ |
